Who We Are

HubbleHox is an innovative EdTech company that seamlessly integrates education and technology, offering cutting-edge learning platforms and customised solutions to transform education for lasting impact. HubbleHox presents its flagship Foundational Stage model, Hubble Explorers, a complete ecosystem designed to enrich every aspect of early learning and development.

DISCOVER THE TRUE POTENTIAL OF YOUR PRESCHOOL WITH HUBBLE EXPLORERS!

Built on the proven expertise that shaped VIBGYOR's learning journey, Hubble Explorers' Early Years programme fosters hands-on exploration, language development and social-emotional growth. With an immersive, inquiry-led approach, it lays the foundation for raising confident learners, critical thinkers and compassionate individuals.

Now Partnering with Preschools Across India to Accelerate their Growth!

“The goal of early childhood education should be to activate the child's own natural desire to learn.”

OUR CURRICULUM APPROACH

WHAT'S IN IT FOR EVERYONE?

Customer Friendly Digital Interface

Partnering for Excellence:

Quality Assurance in Foundational Stages

We offer end-to-end consultation and audit services to help schools deliver high-quality early education. From preschool set-up and classroom design to teacher training and pedagogy execution, our experts ensure excellence through regular quality checks and handholding.

Empowering Educators

Aligning with the vision of NEP 2020, we conduct structured Continuous Professional Development (CPD) programmes to equip teachers with classroom strategies, reflective practices, innovative methods, and enhanced skills for effective teaching.

Seamless Support

We provide continuous guidance and support to our partner schools.
